| 90000581       | Nose Landing Gear Wheel Assembly | Meggitt Aircraft Braking Systems        | C14    |
| 90002317       | Main Landing Gear Wheel Assembly | Meggitt Aircraft Braking Systems        | C14    |
| 07 240 6113    | AC Generator                     | PACIFIC SCIENTIFIC EKD                  | C5     |
| 15021-1        | AC Generator                     | AUXILEC / SEB (Thales) / Sextant/Jaeger | C5     |
| 150SG111Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG114Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG115Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG116Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG117Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG117Q-3    | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG117Q-4    | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG118Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG119Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG120Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG121Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG122Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG123Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG123Q-3    | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG124Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG125Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG125Q-2    | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 150SG144Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 160SG136Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 160SG137Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 160SG137Q-2    | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 160SG139Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 160SG139Q-2    | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 160SG140Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 160SG141Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 160SG142Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SG111Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SG112Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SG116Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SG117Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SG119Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SG120Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SG121Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SG122Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SG130Q      | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SGL111Q     | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SGL111Q-2   | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SGL111Q-2-3 | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SGL112Q     | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SGL114Q     | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SGL115Q     | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SGL115Q-2   | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SGL117Q     | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SGL118Q     | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
| 200SGL119Q     | DC Starter Generator             | APC Unison / SKURKA                     | C5     |
